ATTENTION MEDICARE PATIENTS!

As of January 1, 2011, Medicare will cap outpatient rehabilitation coverage, combining Physical Therapy AND Speech Therapy, at **\$1,870** per beneficiary for the calendar year. Keep in mind that the **\$1,870** includes both the amount Medicare pays and the beneficiary copayment. Once you've hit the cap amount, you can either pay out of pocket for your services at our facility or receive physical therapy services in an outpatient hospital setting.

In order to be compliant with these guidelines, please provide the following information:

Have you received PHYSICAL THERAPY and/or SPEECH THERAPY this calendar year?

YES NO

If YES, at what facility did you receive these services? _____

In order to be eligible for outpatient physical therapy services under Medicare Part B, you must not live in a skilled nursing facility or be receiving any home health services, including physical therapy and/or nursing.

Are you currently living in a skilled nursing facility?

YES NO

If YES, at what facility do you live? _____

Are you currently receiving home health services?

YES NO

If YES, what is the name of the Home Health Agency providing these services?
